Company Overview

TopNotch Promo is a highly regarded guerrilla marketing agency that specializes in promoting and establishing brands for products and services. Our expertise lies in effectively conveying messages to consumers through the use of out-of-home (OOH) and guerrilla marketing techniques, which we believe are the most impactful means of advertising. We offer top-notch marketing services that aim to pique interest and enhance brand recognition on a global scale, utilizing various methods such as hand-to-hand promotion, lifestyle store drops, stencils, posters, stickers, and digital and outdoor billboard campaigns. Our impressive list of clients includes industry leaders such as DesignerCon, Goldenvoice, Youth to the People, Warner Brothers Records, Troubadour, Interscope Records, ComplexCon, Obey Clothing, Everlane, Golf, and Dries Van Noten. Our mission is to effectively promote any product or service through a dynamically integrated campaign. Streetworks, our unique approach to marketing, ensures that we are the go-to agency for effective and impactful street marketing.
